

## Paper Prototype – Design 2

Background image covering most of page. Clicking the "Start" button scrolls to the lower page

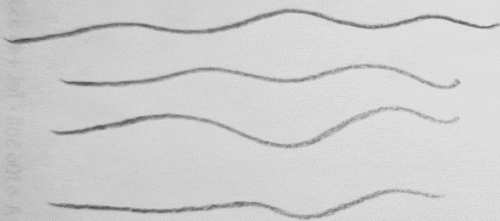

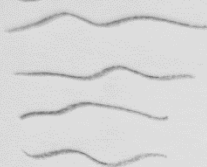

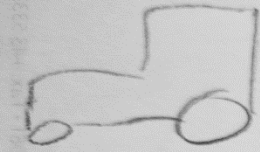

Scrolling reveals a simple page with 3x text panels.

# Industry Information

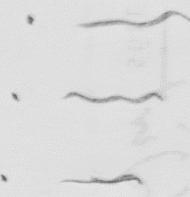

Scrolling reveals  
a new page with  
clickable panels

## Agriculture

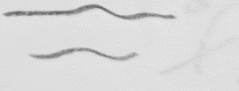

Apply

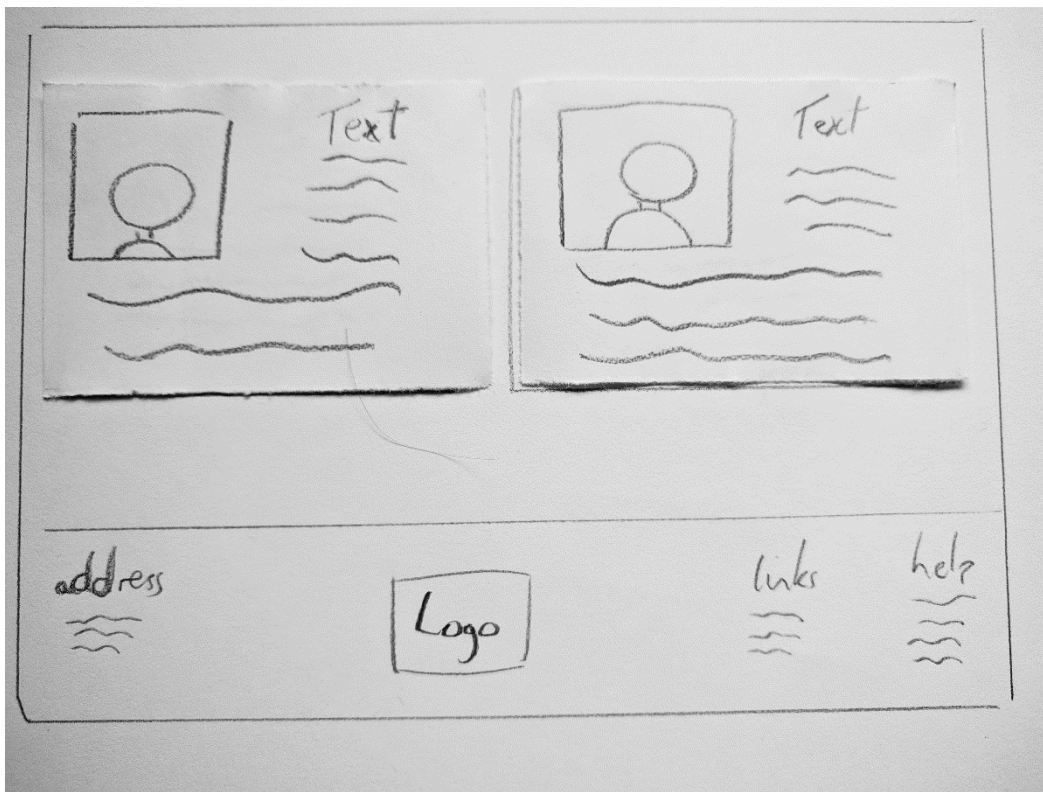

## Key Info

Companies

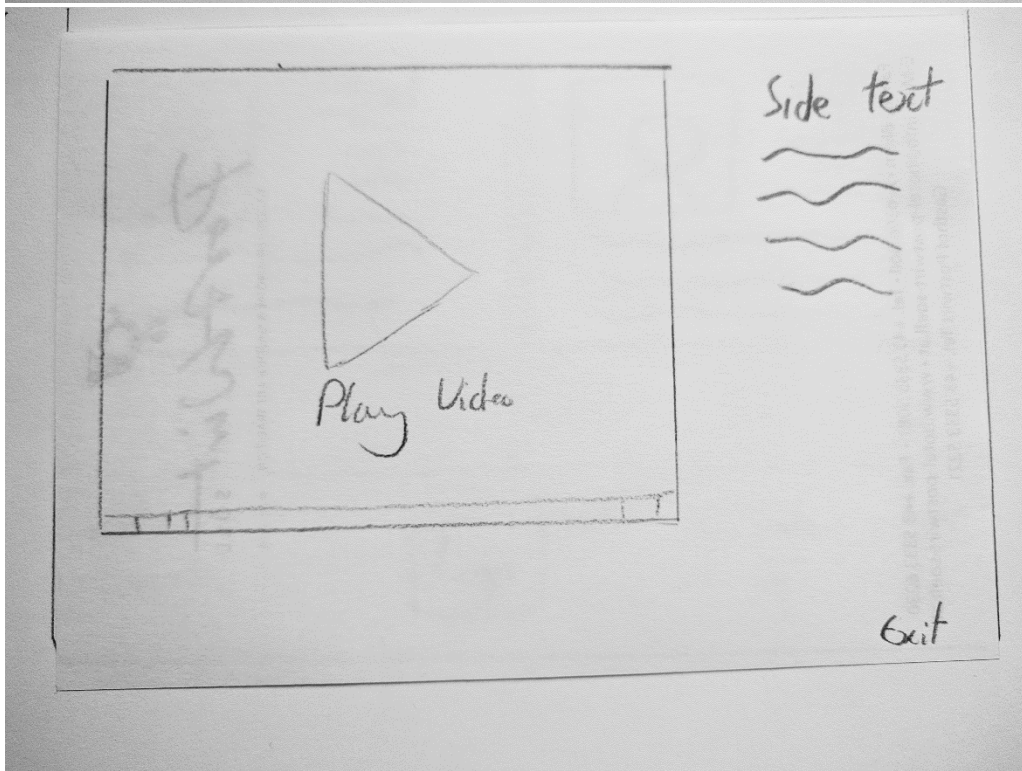

Clicking on a  
panel reveals a  
new panel with  
detailed  
information  
filling the screen

Scrolling to the very bottom reveals a final page, which contains clickable cards with case studies on them

There is also a footer with basic links on it to allow for easy navigation

Clicking on these cards reveals a new card which fills the screen – with information on videos
